

FACTORY AUTOMATION SUMMER SAVINGS

In July and August any order over \$5,000.00 will receive a **FREE IPEC golf shirt**—one shirt per order.

Have a safe and enjoyable summer!

PUMPS and ACCESSORIES

If you want a pump that really performs for your operation and bottom line then look no further. Ingersoll Rand EXP series pumps are 20-40 percent more efficient than competitive products.

EXP Series Diaphragm Pumps

- Efficient
- Reliable Operation
- Structural Integrity
- Reduced Operating Costs

To learn more go to www.ipecautomation.com and [view a video](#) in our video section or go to our products pump section. *When ordering mention the newsletter and get an additional discount. Offer expires Sept 08.*

Machine Guards and Safety Equipment

Summer Slow down is the best time to think about plant safety

and today's manufacturers realize that the safety of their employees is a top priority. Ontario regulations insist that all machines are guarded properly.

We have the solutions for all your plant safety needs...guarding, work stations, light curtains, anti tie-downs, sensors, safety switches, lock outs, safety mats and much more. Give us a call and we'll be happy to quote on your needs. Visit us on-line at www.ipecautomation.com We have the solution!

SMC Air Dryer

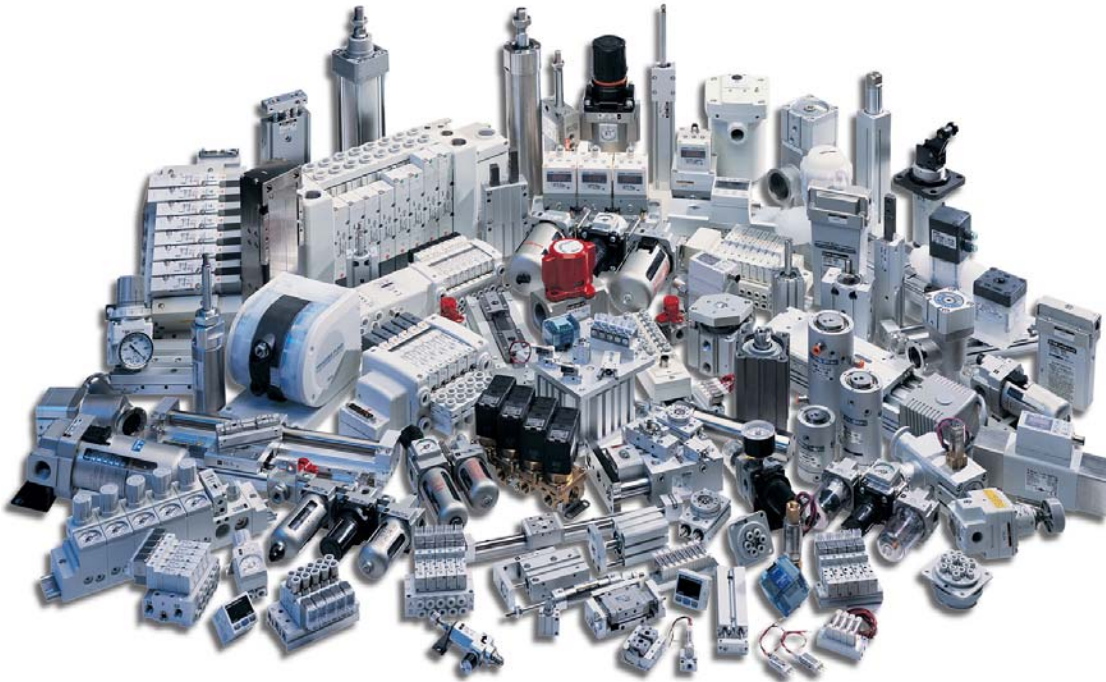

It's that time of year again when heat and humidity can create water problems in airlines. **SMC** offers a point of use air dryer. If you have equipment in your plant you need to protect it from excess water damage in the airlines. If you can't afford the cost of purchasing, operating and maintaining a refrigerant air dryer **THIS IS FOR YOU.**

The AMG is a point of use air dryer that is almost maintenance free. It costs little more than a conventional airline filter and it removes 99.9% of the moisture. Just contact your IPEC salesperson or call our order desk. We will be happy to look at your facility and advise you of the correct unit for your application. If you refer to this newsletter we will provide you with a good discount for the months of July to Sept. 08 to reduce your costs even further.

[For your extra discount be sure to mention you read it in our newsletter.](#)

**ELECTRIC , PNEUMATIC, & HYDRAULIC ACTUATORS - AIRLINE ACCESSORIES
 ALUMINUM EXTRUSION - ELECTRIC & ELECTRONIC COMPONENTS
 MATERIAL PUMPS & ACCESSORIES - MECHANICAL ACTUATORS & BEARINGS
 SAFETY PRODUCTS - VALVES - MISCELLANEOUS EQUIPMENT & Much More**

IPEC was formed in 1982. We are always looking for the best solutions for your needs. The Factory Automation Industry changes constantly and IPEC keeps up with these changes. Our knowledge base and thorough research allows us to keep offering you affordable and safe automation. The product groups we have available allow us to tackle the toughest automation applications. We can offer the high tech system with all the bells and whistles to the cost saving alternative applications. Given the opportunity we can solve your application problems.

IPEC represents only the industry leaders like SMC Pneumatics, 8020 Aluminum Profile, Gimatic Automation Components for material handling & end of arm tooling, Burkert Fluid Control Systems, Baumer Components for all your photo electric or laser sensing requirements.
